Note by the Secretary-General

Addendum

1. Further to the notification submitted to the General Assembly on 20 September 1993 (A/48/411), the Secretary-General has the honour to notify the Assembly of a matter with which the Council has ceased to deal and of alterations in the list of matters of which the Security Council is seized.

2. During this period, one item listed in the above notification was deleted from the list, pursuant to the request contained in a letter dated 15 September 1993 from the Permanent Representative of Venezuela to the United Nations. The Secretary-General, with the consent of the Security Council, therefore removed the following item from the list of matters of which the Council is seized: "Letter dated 2 April 1992 from the Permanent Representative of Venezuela to the United Nations addressed to the President of the Security Council".

3. Also during this period, the following alterations occurred in the list of matters of which the Security Council is seized:

At its 3312th meeting, on 11 November 1993, the Security Council, after the adoption of its agenda and before discussing the item formulated as "Letters dated 20 and 23 December 1991 from France, the United Kingdom of Great Britain and Northern Ireland and the United States of America", decided, at the suggestion of the President, to have the former items under which this subject had been previously discussed deleted from the list, since those items had been subsumed under the new item. The deleted items are as follows:

- Letters dated 20 and 23 December 1991;

- (a) Letters dated 20 and 23 December 1991

(b) Report by the Secretary-General pursuant to paragraph 4 of Security Council resolution 731 (1992)

(c) Further report by the Secretary-General pursuant to paragraph 4 of Security Council resolution 731 (1992).
